The screenshot shows the Google Play Store interface for the 'BookGanga eBook Reader' application. At the top, the Google Play logo and a search bar are visible. Below the logo, there are navigation tabs for 'SHOP', 'MY BOOKS', and 'MY MOVIES'. The main content area is divided into two sections. On the left, there is a dark grey card with the application's title 'BookGanga eBook Reader' and the developer 'MyVishwa Corporation'. Below the title is the application icon, which features a blue square with a white spiral and the text 'Book Ganga'. To the right of the icon is a blue 'INSTALL' button. On the right side of the card, there are tabs for 'OVERVIEW', 'USER REVIEWS', 'WHAT'S NEW', and 'PERMISSIONS'. The 'OVERVIEW' tab is selected, and the 'Description' section is visible. The description reads: 'BookGanga - Creation | Publication | Distribution. Making Indian Literature available globally. More than 10,000 eBooks, eMagazines available from various Indian Languages like, Marathi, Hindi, English, Gujarati, Kannada etc..'. Below the description, there are links for 'Visit Developer's Website', 'Email Developer', and 'Privacy Policy'. The 'App Screenshots' section is also visible, showing a list of screenshots with a right-pointing arrow. The first screenshot shows the 'My eBooks' section, and the second shows a list of eBooks including 'Karj Vasuli: Bank va Karjadar', 'Fulrani', '1857 che Swatantriya Samar -II Sphot', and '175 Stories Of Akbar And Birbal'.
