

BookGanga

“Creation / Publication / Distribution”

Thousands of Books, eBooks
& eMagazines available

www.bookganga.com
a MyVishwa Venture

BookGanga is a pioneer in providing Indian Literature online in print as well as in eBook format. BookGanga is a venture of USA based MyVishwa Corporation. BookGanga is backed with cutting edge world class technology founded on MyVishwa platform.

Books :

- Authors / Publishers from different Indian regional languages can make their books available to global readers.
- Readers can search books, eBooks by Title, name of Author, Publisher, Category, Subject on BookGanga.com.
- Readers can buy the books using online shopping cart.
- Various payment options like Secured Payment gateway for Credit / Debit Cards, Net Banking, Bank Deposit, Cheque / Demand Draft, Cash On Delivery (COD)* are available.
- Print books are shipped to global readers by express & track able courier service.

eBooks :

- Authors/Publishers Can make their books available to readers at lower costs as eBooks save printing and distribution costs.
- Once an eBook is purchased, the customer will be given a download key to download and read the purchased eBook.
- MyVishwa has developed eBook Reader Software for Digital Rights Management (DRM). The Reader will be able to download purchased eBooks on computer, iPad and other reading devices. The device Id is registered with BookGanga to protect the piracy.
- Any purchased eBook can be downloaded on a Computer/Laptop and tablets like iPad at the same time.
- eBooks can be read by using BookGanga eBook Reader. Reader is available free to download on www.BookGanga.com website.
- You can transfer the purchased eBook from one computer/laptop to another or from one tablet to another tablet like iPad. It will work only on one type of device at a time.

- Send BookGanga Gift Voucher to Family and Friends on their special occasions to make it memorable.

How to publish your eBooks?

1. Send us PDF file or two print copies of your books.
2. We process and publish them in our own secure format.
3. Special precautions are taken to avoid Piracy.
4. eBooks can be easily readable on your computers or laptops, iPad and other reading devices using BookGanga eBook Reader.
5. You decide the price of eBook. Generally it is 20% to 25% less than print copy.
6. You get 60% Royalty.
7. We provide online access to monitor your eBook sale activities in real time. It helps to maintain transparency in our business relationship.
8. We send eBook sales report and payment to you on 10th of every month.
9. Please contact us for Agreement copy.
10. Publish your eBook and make it available to readers globally.
